Amazon chat Support jobs Work from home | Live Chat Jobs

Description

Do you enjoy chatting with people online? If so, you may be a perfect fit for our new assistant role. Our Amazon partners are seeking good people to help out with live chat conversations. All of this work is done online and requires no previous experience. A good rate of pay is available for the right candidates, with opportunities to get promoted to more senior positions.

The main qualities we are seeking are a friendly personality, a willingness to learn, and reliability. You can work from anywhere, but we especially need more applicants from USA.

What you will be doing:

You will be working as a Amazon chat assistant, helping out companies with ecommerce stores. You will talk to customers using online chat, answer their questions and check up on their orders. You might also be asked to share sales links and discount coupons.

Requirements: You need to have access to a laptop, phone, or tablet and have a reliable internet connection. You also need to have at least basic English writing skills.

Skills/background needed: These are beginner-level live chat jobs, so full training is provided, and you do not need to have done any paid live chat work before.

Live chat assistants are in huge demand worldwide right now. So if you want to start right away, please apply now.
