Amazon Data Entry Jobs Hiring (URGENT) – Part-Time – No Experience

Description

Job Responsibilities:

- Enter product data into the Amazon Seller Central platform with precision and attention to detail.
- Ensure that product listings adhere to Amazon's guidelines and standards.
- Update product information, including titles, descriptions, images, and pricing, as needed.
- Monitor inventory levels and update stock quantities accordingly.
- Collaborate with team members to resolve any data discrepancies or issues promptly.
- Conduct quality checks to verify the accuracy of data entered.
- Keep abreast of Amazon's policies and updates related to product listings and data entry processes.

Requirements:

- Proficiency in data entry and experience with spreadsheets or database software.
- Strong attention to detail and accuracy in data input.
- Familiarity with Amazon Seller Central or similar e-commerce platforms is preferred but not required.
- Excellent communication skills, both written and verbal.
- Ability to work independently and manage time effectively in a remote environment.
- Reliable internet connection and access to a computer or laptop.
- Available to work part-time hours, with flexibility to accommodate peak periods or urgent tasks.

Benefits:

- Part-time remote position offering flexible hours to suit your schedule.
- Opportunity to gain experience in e-commerce and Amazon marketplace operations.
- Competitive hourly rate with the potential for performance-based incentives.
- Work-from-home setup, eliminating the need for commuting.
- Supportive team environment with opportunities for growth and development.
