## Amazon Data Entry Jobs (Remote Part-Time) Work From Home – No Experience

### Description

### Job Title: Data Associate (Remote – Part-Time)

**Location:** Remote, US

**Job ID:** 24001234

**Compensation:** \$18.00 – \$22.50/hour (Based on location/experience)

### Job Description

Amazon is seeking a detail-oriented and motivated **Data Associate** to join our operations team in a part-time capacity. In this role, you will be responsible for ensuring the high quality and integrity of the data that powers our global logistics and customer fulfillment networks.

This is a **fully remote** position, offering the flexibility to manage your own schedule while contributing to a world-class team. Whether you are looking to start your career in tech operations or seeking a flexible secondary income, we provide the tools and comprehensive training to help you thrive.

### Key Responsibilities

- **Data Management:** Efficiently input, update, and maintain records within internal databases.
- **Quality Assurance:** Audit data sets for discrepancies, ensuring all information meets Amazon's high standards for accuracy.
- **Process Optimization:** Adhere to established SOPs (Standard Operating Procedures) to meet daily productivity and quality benchmarks.
- **Cross-Functional Support:** Partner with internal stakeholders to flag and resolve data-related errors.
- **Reporting:** Assist in the preparation of routine reports to track operational progress.

### Basic Qualifications

- High school diploma or equivalent.
- Proficiency with **Microsoft Office Suite** (specifically Excel) and general web-based applications.

**Hiring organization**  
Amazon

**Employment Type**  
Part-time

**Job Location**  
Remote work from: US

**Working Hours**  
8

**Base Salary**  
USD 18 - USD 22.50

**Date posted**  
April 3, 2026

**Valid through**  
30.12.2026

- Demonstrated ability to maintain focus and accuracy during repetitive tasks.
- Strong written and verbal communication skills.
- A dedicated, quiet workspace with high-speed internet (minimum 20 Mbps download/5 Mbps upload).

## Preferred Qualifications

- A self-starter mindset with the ability to work independently in a remote environment.
- Previous experience in data entry, administration, or customer service (not required).
- Ability to adapt quickly to new software and internal tools.

## Why You'll Love Working Here

- **Flexible Scheduling:** Design a part-time shift that balances with your life.
- **Career Growth:** Access to Amazon's internal training programs and "Career Choice" initiatives.
- **Inclusive Culture:** Join a diverse global workforce committed to being Earth's Best Employer.

## How to Apply

1. Navigate to **amazon.jobs**.
2. Search for "**Data Associate**" or "**Remote Data Entry**."
3. Complete the online assessment and upload your most recent resume.
