Amazon Remote Data Entry Associate (Part-Time Work From Home - No Experience Needed | \$18-\$25/Hour)

Description

Job Title: Amazon Remote Data Entry Associate

Status: Part-Time | 100% Remote

Pay Range: \$18.00 – \$25.00 per hour

Experience: Entry-Level (No Experience Required)

Role Overview

We are seeking a detail-oriented **Remote Data Entry Associate** to join our e-commerce operations team. In this role, you will be responsible for maintaining the integrity of our Amazon product catalog by accurately inputting and updating inventory data. This is a **flexible, work-from-home** position designed for individuals who are organized, tech-savvy, and looking for a stable part-time opportunity.

What You'll Do (Responsibilities)

- **Catalog Updates:** Manually input product titles, descriptions, and technical specs into the Amazon Seller Central database.
- **Price Monitoring:** Update promotional pricing and discount codes during peak sales events (Prime Day, Black Friday, etc.).
- **Inventory Tracking:** Synchronize stock levels between warehouse reports and digital storefronts to prevent overselling.
- **Data Verification:** Audit existing listings to ensure all information complies with Amazon's current branding guidelines.
- **Support Coordination:** Flag any listing errors or suppressed items to the senior account manager for quick resolution.

Requirements

- **Education:** High school diploma or equivalent.
- **Technical Skills:** Basic knowledge of Microsoft Excel or Google Sheets (sorting, filtering, and basic formulas).
- **Typing Speed:** Minimum of **40 WPM** with a high degree of accuracy.
