Remote Amazon Data Entry Jobs – No Experience – Part-Time

Description

As a Remote Data Entry Associate, you will support the accuracy and efficiency of our e-commerce catalog. Your primary responsibility is to input, update, and maintain product information within our internal databases. This is a **part-time, entry-level** position designed for individuals who are detail-oriented and enjoy working independently in a digital environment.

Key Responsibilities

- **Product Listing Management:** Accurately enter new product details, including titles, SKUs, descriptions, and pricing.
- **Database Maintenance:** Update existing records to reflect inventory changes or manufacturer updates.
- **Quality Assurance:** Review data for errors or discrepancies and correct them to ensure a seamless customer shopping experience.
- **Image Coordination:** Match product images with the correct listings according to company guidelines.
- **Documentation:** Organize and maintain digital files and spreadsheets (Excel/Google Sheets) for easy team retrieval.

Qualifications

- **Experience:** No prior experience required; we provide comprehensive online training.
- **Education:** High school diploma or equivalent (GED).
- **Skills:** * Minimum typing speed of **35–40 WPM** with high accuracy.
 - Basic proficiency in Microsoft Excel or Google Sheets.
 - Strong written communication skills for team coordination via Slack or email.
- **Home Office Requirements:**
 - A reliable, high-speed internet connection.
 - A desktop or laptop computer (minimum 8GB RAM preferred).
 - A quiet, distraction-free workspace.
