Remote Recruiter – Earn Per Placement

Description

Remote Recruiter – Earn Per Placement

Location: Remote (Worldwide)

Type: Freelance / Flexible Income

Want to earn online without selling, coding, or creating content?

RecXchange gives you access to real job roles and lets you earn by simply introducing candidates.

No experience needed.

No fixed hours.

No limits on what you can earn.

How It Works:

- * Access live job roles from companies hiring right now
- * Find candidates (friends, contacts, job seekers, social media)
- * Submit them through the platform
- * If they get hired – you get paid

Potential Earnings:

- * Earn \$3,000-\$11,000 per successful placement
- * No cap on how many placements you make
- * Work part-time or full-time

Hiring organization

RecXchange

Employment Type

Full-time

Job Location

USA

Remote work from: St. Louis, Missouri
